

## ***IMTT Spring Lake North Tournament Results***

Saturday, March 15<sup>th</sup> the Illinois Muskie Tournament Trail (IMTT) kicked off its 2008 schedule with the annual Spring Lake North Muskie Tournament. Eighteen boats and 34 entries from three states attempted to secure the first tournament win of the 2008 season. They braved a blustery winter mix of rain, sleet, and snow, and temperatures in the mid 30's, made nastier by a stiff a northerly wind. Despite their efforts, only two fish were caught. A 33" muskie caught by Howard Chambliss from Mount Vernon earned the tournament win, while a 32" from Bob Jeffries of Palos Heights brought him a second place finish.
